

How We May Contact You

By providing your telephone number, you authorize First Bank & Trust and any of its service providers, including Imprint Payments, to contact you at that number with recurring text messages and calls, including those made using autodialers or prerecorded voice. Message frequency may vary. Message and data rates may apply. These communications may include informational, servicing, or collection messages related to your credit card application or account. Reply STOP to opt out of text messages or HELP for help. You may update your telephone number by calling 1-888-427-0544 or by updating your contact information in your Imprint account.
